Members can now pay their electric bills via credit card with no additional fees. This new feature ensures you are paid in full, on time!

Remember...

We will charge your credit card on your bill date. If this date is a weekend or holiday, the amount will be deducted on the next business day.

It is the member's responsibility to inform REA of all changes to their credit card information; any resulting penalties are the member's responsibility.

The authority you give to charge your credit card will remain in effect until REA has received written notification from the member(s) of its termination in such time and manner as to afford REA a reasonable opportunity to act on it.
