

Load Management Technician - REA Energy Cooperative, is seeking a Load Management Technician. Successful applicant will be working out of our Indiana, Pennsylvania office.

Responsibilities Include, but not limited to:

- Under general supervision, perform a variety of tasks in the installation, repair and maintenance of residential and commercial electrical equipment, HVAC, and automatic generators.
- Coordinate with members, with the delivery, installation, and maintenance of products and services within REA Energy's load management program.
- Learn and comply with all safety policies, rules, and procedures.

Qualifications and Special Requirements Include:

- Two-Four years of experience with Residential and Commercial Electrical Contracting and/or HVAC.
- Technical or Associates Degree in Maintenance Electricity and Construction Technology or Refrigeration, Heating, Ventilation, Air Conditioning Technology, or associated programs.
- Knowledge in commercial motor control wiring, trouble shooting and repair.
- Pennsylvania Driver's License is required.
- Ability to be on-call for both scheduled and un-scheduled emergencies.
- Working knowledge of the duties of the position; with knowledge of the National Electric Code and Uniform Construction Code.
- Possess Universal EPA Certification License or be able to obtain one.
- Demonstrate the ability to follow directions and prioritize job tasks.
- Ability to communicate clearly, speak clearly and persuasively in positive or negative situations. Listen to clearly understand the needs of the member.
- Ability to analyze information, coordinate people and resources and communicate with a variety of co-workers.
- Maintain a professional attitude. Carry out tasks with attention to detail and refrain from causing or contributing to disruptions or confrontations in the workplace.
- Be a team player. Balance team and individual responsibilities. Give and welcome feedback respectfully.
- Be open to change. Adaptable to frequent changes in the work environment, management's competing demands, and respond openly to unexpected events.
- Thorough knowledge of first aid and CPR.
- Basic computer knowledge.
- Willingness to attend courses relating to this area of work.
- Personal characteristics shall include integrity, self-motivation, positive professional image, courtesy, good attendance, and excellent problem-solving skills.
- Willing to relocate (if necessary) within 30 minutes from the Indiana Office.
- Willing to work when needed/required.
